Submitted to His Highness.

×S.

A sum of Rs.1500/- is× provided in the Budget for each of the two Public Libraries at Bangalore and Mysore for the purchase of books during 1916-1917.

2. As this sum is considered insufficient for the purpose, the Education Committee× recommend that the two Libraries may be permitted to supplement the above provision by a sum of Rs.1800 and Rs.1000 from the amounts of subscription expected to be collected by them respectively during the year.

×Paper under disposal.

3. The Financial Branch× considers the procedure suggested objectionable and suggests that the object may be equally gained by sanctioning an increased grant.

×Page 2 of office notes

4. This question was considered× in Council who are of opinion that 75 per cent of the subscriptions actually collected may be refunded to the Libraries for purchase of books till the 30th June 1917. Such a concession will serve a double purpose. It will be an incentive to the Library Committees to increase the number of their subscribers while enabling them at the same time to make additions to the Libraries to a larger extent than would be possible with the ordinary grant.

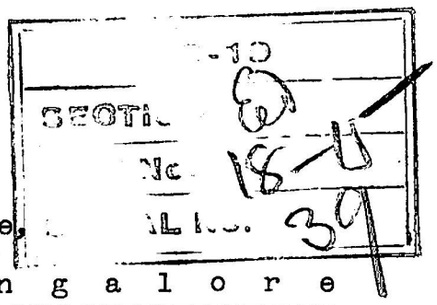
No. 1930

Office of the Mysore Economic Conference,

Bangalore, dated, February 4th 1916

DIARY No. 2985



From

The Secretary,

Mysore Economic Conference,

Bangalore

To

P.G.D'Souza, Esq., B.A., B.L

Secretary to Government,

Departments of Education and Agriculture, Bangalore.

Sir,

With reference to para 2 of Government Proceedings No.2812-5 /Edn.18-15-28 dated the 16th December 1915 passing orders on the question of disposal of the money collected as subscriptions by the two public libraries in Bangalore and Mysore, I am directed to state that at the meeting of the Education Committee held on the 28th January 1916 the budget estimates of these libraries for 1916-17 were discussed and their proposals for the increase of Government grants for purchase of books were considered.

As it was brought to notice that a sum of Rs.2000 by the - - Bangalore Public Library and Rs.1000 by the Mysore Library ~~were~~ was expected to be collected next year by way of subscriptions, the Committee were of opinion that the increase of grant, viz., Rs.1800 and Rs.1000 asked for the by the Bangalore Library and Mysore - - - Library respectively might be met out of the subscription expected to be realised in each of these libraries. The Committee also suggested that as the libraries were yet new and as they had to be considerably enlarged, a special recommendation might be submitted to Government for increasing the grants for some years to come.

I

2 13

I am to request you therefore to be so good as to obtain the sanction of Government for the utilisation of the - - - - subscription amount for purchase of books as recommended.

I have the honour to be,

Sir,

Your most obedient servant,

Secretary.
